## CARPENTRY APPLICATION FORM

This form is for Carpentry applicants to apply for a Carpentry licence under the Licensed Building Practitioner (LBP) scheme.

The Is licensing for me? booklet contains useful information on the competencies you need to demonstrate for each licence when applying to be licensed, and on the LBP scheme and building categories.

If you have a recognised qualification, you can apply using the streamlined application process.

The qualified practitioner application form is at [www.lbp.govt.nz](http://www.lbp.govt.nz)

Carpentry LBPs may:

- construct foundations without a Foundations licence
- install lightweight profiled metal roofing without a Roofing licence.

If you are applying for more than one licence, please return all the application forms together. You only need to complete the personal details on one of the forms. You only need to provide one set of certified qualifications, proof of identity and photos, and only need to pay the application and administration fees once.

For more information, call our helpline on 0800 60 60 50, between 8.30am and 5pm Monday to Friday, or email [licensing@lbp.govt.nz](mailto:licensing@lbp.govt.nz)
