DESIGN APPLICATION FORM

This form is for Design applicants to apply for a Design licence under the Licensed Building Practitioner (LBP) scheme.

The *Is licensing for me?* booklet contains useful information on the competencies you need to demonstrate for each licence class when applying to be licensed, and on the LBP scheme and building categories.

If you are applying for more than one licence class, please return all the application forms together. You only need to complete the personal details on one of the forms. You only need to provide one set of certified qualifications, proof of identity and photos, and only need to pay the application and administration fees once.

If you are a Registered Architect you are already treated as if you are licensed in Design area of practice 3. You cannot apply to be licensed in Design. You can apply for other licences if you wish.

If you are a Chartered Professional Engineer, you are already treated as if you are licensed in Design and Site area of practice 3. You cannot apply to be licensed in Design or Site. You can apply for other licences if you wish.

For more information, call our helpline on 0800 60 60 50, between 8.30am and 5pm Monday to Friday, or email licensing@lbp.govt.nz

QUALIFICATIONS

Qualifications are good supporting evidence for your knowledge of building practices. However, you do not need to hold a qualification to obtain your licence.

If you do not have a qualification, tick here Not applicable

NEW ZEALAND QUALIFICATIONS

QUALIFICATION	EDUCATION PROVIDER / ITO	YEAR COMPLETED

OVERSEAS QUALIFICATIONS

If you want to list overseas qualifications to support your application, you will first need to have them evaluated by the New Zealand Qualification Authority (NZQA). NZQA's Qualification Recognition Service will send you a report telling you whether your international qualification is comparable to a New Zealand qualification. You must attach a certified copy of this report with your application. You don't need to submit copies of the overseas qualifications.

For more information, go to the NZQA website at www.nzqa.govt.nz and follow the links to the International section, or phone (04) 463 3000.

QUALIFICATION	EDUCATION PROVIDER	COUNTRY	YEAR COMPLETED

Getting your qualification or NZQA report certified

A signature or official stamp from your certifier is required on each page of the qualification copy, with the name and title of the person shown clearly below it.

Examples of people who can certify your documents include:

- Justice of the Peace (JP) (see your local Yellow Pages)
- lawyer
- court official
- official of the organisation that issued the original document.

Do not send original documents with your application.

You can have your qualifications certified at the same time as your proof of identity.

MEMBERSHIP OF INDUSTRY ORGANISATIONS

If you are a member of an industry organisation, please provide your membership details. Membership of an industry organisation is not essential to obtain your licence.

Examples include:

- Architectural Designers New Zealand Inc (ADNZ)
- Design Association of New Zealand Inc (DANZ)
- Designers Institute of New Zealand INC (DINZ)
- New Zealand Institute of Architects (NZIA)

ORGANISATION	MEMBERSHIP NUMBER

RELEVANT RECENT LEARNING ACTIVITIES

List any industry-related activities you have taken part in. They are good evidence to show you are keeping up with industry developments. However, learning activities are not essential to obtain your licence.

Relevant recent learning activities include:

- attending seminars, conferences or trade events
- manufacturer or supplier training
- reading an industry publication
- training an apprentice.

AREA OF PRACTICE

There are three areas of practice for the Design licence class. You can only apply for one Design area of practice. Tick the area of practice you wish to be assessed in.

- Design area of practice 1—category 1 buildings
- Design area of practice 2—category 1 and 2 buildings
- Design area of practice 3—category 1, 2, and 3 buildings

The areas of practice relate directly to the building categories outlined below.

BUILDING CATEGORIES

Building Categories:

Category 1

A category 1 building is a building where the:

- 1) use is SH* (single sleeping home); and
- 2) building envelope (whether the building is a new structure or an existing building) has a total risk score that does not exceed 12 for any external elevation (calculated under Part 4, Building [Designation of Building Work Licence Classes] Order 2010).

Category 2

A category 2 building is a building that is:

- 1) neither a category 1 nor category 3 building

Category 3

A category 3 building is a building where the:

- 1) building height** exceeds 10 metres
- 2) use is not SH* (single sleeping home)

*SH (sleeping single home) use is determined using the Building (Specified Systems, Change the Use, and Earthquake-prone Buildings) Regulations 2005 and means: detached dwellings where people live as a single household or family, including attached self-contained spaces such as granny flats when occupied by a member of the same family, and garages (whether detached or part of the same building) if primarily for storage of the occupants' vehicles, tools, and garden implements.

**Building height is defined as 'the vertical distance between the upper surfaces of the floors of the building's lowest and highest storeys'.

For information about the building categories please refer to Is licensing for me? at www.lbp.govt.co.nz

Work history

This section asks for a summary of your work experience in the building and construction industry. It should show your assessors what types of buildings you have worked on and the range of work and responsibilities you have undertaken. Start with your current or most recent employment and work backwards. Provide as much information as possible about your work and responsibilities. Use the examples below to help you.

If there are any gaps in your employment, please write in the dates and reasons (eg, travelling overseas, or worked in different type of occupation) in the 'Job title' box.

Please photocopy additional work history pages if needed.

Project records

You must complete two project records. At least one project should have been worked on in the last three years and the other in the last five years. If you have not worked on projects in the last five years, provide information on your most recent projects. At least one project must have already been built. You may have contributed to, or led these projects.

Evidence required

Gather information and paperwork that relate to the projects you choose. Use the evidence checklists (pages 15 or 16) to help you gather this.

This portfolio must be shown to the assessor at your face-to-face interview. Do not send this portfolio in with your completed application.

Choosing your projects

Choose projects that you have evidence for and that meet the conditions below.

Your projects must be for the relevant building category for the Design area of practice you are applying for:

- Design area of practice 1 – category 1 buildings

- Design area of practice 2 – category 2 buildings

- Design area of practice 3 – category 3 buildings

CHECKLIST

Have you:

- completed this form
- provided certified copies of your qualifications
- provided certified proof of identity
- provided two verified ID photos
- provided referee details
- provided information about two different design projects
- included your application fee?

**Read the 'Understanding the Regulatory Environment' booklet included in your application pack.
An assessor will call you and ask you questions from it.**

SENDING IN YOUR APPLICATION

Post your completed application form, verified photos, certified copies of your proof of identity and qualifications, and your payment

By mail to

The Registrar, Licensed Building Practitioner scheme
Ministry of Business, Innovation & Employment
PO Box 50041
Porirua 5240

By courier to

The Registrar, Licensed Building Practitioner scheme
Ministry of Business, Innovation & Employment
Level 1, 1 Walton-Leigh Avenue
Porirua 5240

Keep a copy of this application form for your records and to work through with your assessor.

ASSESSMENT PROCESS

When you have completed your application and sent it to the Registrar of the Licensed Building Practitioner scheme, you will be assigned an assessor who is experienced in the industry and fully trained to assess applications.

The assessor will review your application including work history, project records, any supporting evidence and your responses to the questions.

The assessor will contact you to arrange your face-to-face assessment. At the face-to-face assessment the assessor will:

- ask you some questions from the **Understanding the Regulatory Environment** booklet in your application pack
- ask you about any information in your application that is unclear
- discuss your portfolio of work (the evidence you have collected about your projects). You will be asked to talk through this portfolio.

After the assessment, the assessor may contact your referees to confirm that the work in your selected projects was done competently.

The assessor will then recommend to the Registrar whether you meet the licence class standard.

CONFLICT OF INTEREST

The assessors will declare any conflict of interest with an application they are assessing, for example, if the applicant is known to them or is in direct business or professional competition.

Similarly, you can ask for another assessor for a face-to-face assessment if you identify a conflict of interest. You can't specify which assessor you want, but you will be given a list of available assessors so you can identify any conflicts.
