Summary of the Board’s Decision

- [1] The Respondent failed to provide a Record of Work on completion of Restricted Building Work. He is fined \$1,500 and ordered to pay costs of \$500.
- [2] If the Respondent provides a Record of Work by the close of the submission period to both the owner and the Territorial Authority, as per the requirements of section 88(1) of the Act, the fine will be reduced to \$1,000.

The Charges

- [3] Under regulation 10 of the Complaints Regulations, the Board must, on receipt of the Registrar’s Report, decide whether to proceed no further with the complaint because regulation 9 of the Complaints Regulations applies. Having received the report, the Board decided that regulation 9 applied to some but not to all of the allegations.

Regulation 10 Decision

- [4] In this matter, the disciplinary charges the Board resolved to further investigate¹ were that the Respondent may, in relation to building work at [OMITTED] Auckland, have failed, without good reason, in respect of a building consent that relates to Restricted Building Work that he or she is to carry out or supervise, or has carried out or supervised, (as the case may be), to provide the persons specified in section 88(2) with a Record of Work, on completion of the Restricted Building Work, in accordance with section 88(1) of the Act contrary to section 317(1)(da)(ii) of the Act.

Regulation 9 Decisions

- [5] The complaint to the Board also contained allegations that the Respondent had carried out or supervised building work in a negligent or incompetent manner (s 317(1)(b) of the Act).
- [6] With regard to the allegations made, the Board decided that regulations 9(e) and 9(f)(ii) of the Complaints Regulations applied. They provide:

Complaint not warranting further investigation

A complaint does not warrant further investigation if—

- (e) *there is insufficient evidence to warrant the investigation of the complaint;*
- (f) *the investigation of it is—*
- (ii) *unnecessary;*

- [7] Regulation 9(e) deals with the sufficiency of evidence. To test sufficiency, the Board needs to inquire whether there is evidence which, if un-contradicted, would, having regard to the degree of proof demanded², justify consideration of the complaint. In this matter, the Board noted that there was limited evidence provided with the complaint.

Draft Decision Process

- [8] The Board's jurisdiction is that of an inquiry. Complaints are not prosecuted before the Board. Rather, it is for the Board to carry out any further investigation that it considers necessary prior to it making a decision.
- [9] Ordinarily, the Board makes a decision having held a hearing.³ The Board may, however, depart from its normal procedures if it considers doing so would achieve

¹ The resolution was made following the Board's consideration of a report prepared by the Registrar in accordance with regulation 10 of the Complaints Regulations.

² The burden in complaints is on the balance of probabilities per *Z v Dental Complaints Assessment Committee* [2009] 1 NZLR 1

³ Regulation 10 of the Complaints Regulations.

the purposes of the Act, and it is not contrary to the interests of natural justice to do so.⁴

- [10] In this instance, the Board has decided that a formal hearing is not necessary. The Board considers that there is sufficient evidence before it to allow it to make a decision on the papers. There may, however, be further evidence in relation to the matter that the Board was not aware of. To that end, this decision is a draft Board decision. The Respondent will be provided with an opportunity to comment on the draft findings and to present further evidence prior to the Board making a final decision. If the Respondent requests an in-person hearing, or the Board directs that one is required, this decision will be set aside, and a hearing will be scheduled.

Evidence

- [11] The Board must be satisfied on the balance of probabilities that the disciplinary offences alleged have been committed⁵. Under section 322 of the Act, the Board has relaxed rules of evidence which allow it to receive evidence that may not be admissible in a court of law.

Failure to Provide a Record of Work

- [12] A Licensed Building Practitioner must provide a Record of Work for any Restricted Building Work that they have carried out or supervised to the owner and the Territorial Authority on completion of their Restricted Building Work.⁶
- [13] There is a statutory requirement under section 88(1) of the Building Act 2004 for a Licensed Building Practitioner to provide a Record of Work to the owner and the Territorial Authority on completion of Restricted Building Work⁷ unless there is a good reason for it not to be provided.⁸

Did the Respondent carry out or supervise Restricted Building Work?

- [14] The Respondent was engaged to carry out and/or supervise building work on a new relocatable residential dwelling under a building consent. His work included work on the primary structure and external moisture management system of a residential dwelling.⁹ As such, his work included Restricted Building Work for which a Record of Work had to be provided.

Was the Restricted Building Work complete?

- [15] The Respondent's work came to an end in February 2023. That was when a Record of Work was due.

⁴ Under Clause 27 of Schedule 3 the Board may regulate its own procedure and it has summary jurisdiction, which allows for a degree of flexibility in how it deals with matters: *Castles v Standards Committee No.* [2013] NZHC 2289, *Orlov v National Standards Committee 1* [2013] NZHC 1955

⁸ Section 317(1)(da)(ii) of the Act

⁹ Clause 5 of the Building (Definition of Restricted Building Work) Order 2011

Has the Respondent provided a Record of Work?

[16] The Respondent has not provided a Record of Work.

Was there a good reason?

[17] The Respondent has not engaged in the investigation process. As such, no good reasons have been put forward.

Board's Decision

[18] The Respondent **has** failed to provide a Record of Work on completion of Restricted Building Work.

Penalty, Costs and Publication

[19] Having found that one or more of the grounds in section 317 applies, the Board must, under section 318 of the Actⁱ, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.

[20] The matter was dealt with on the papers. Included was information relevant to penalty, costs and publication, and the Board has decided to make indicative orders and give the Respondent an opportunity to provide further evidence or submissions relevant to the indicative orders.

Penalty

[21] The Board has the discretion to impose a range of penalties.ⁱⁱ Exercising that discretion and determining the appropriate penalty requires that the Board balance various factors, including the seriousness of the conduct and any mitigating or aggravating factors present.¹⁰ It is not a formulaic exercise, but there are established underlying principles that the Board should take into consideration. They include:¹¹

- (a) protection of the public and consideration of the purposes of the Act;¹²
- (b) deterring other Licensed Building Practitioners from similar offending;¹³
- (c) setting and enforcing a high standard of conduct for the industry;¹⁴
- (d) penalising wrongdoing;¹⁵ and
- (e) rehabilitation (where appropriate).¹⁶

¹⁶ *Roberts v A Professional Conduct Committee of the Nursing Council of New Zealand* [2012] NZHC 3354; *Shousha v A Professional Conduct Committee* [2022] NZHC 1457

- [22] Overall, the Board should assess the conduct against the range of penalty options available in section 318 of the Act, reserving the maximum penalty for the worst cases¹⁷ and applying the least restrictive penalty available for the particular offending.¹⁸ In all, the Board should be looking to impose a fair, reasonable, and proportionate penalty¹⁹ that is consistent with other penalties imposed by the Board for comparable offending.²⁰
- [23] In general, when determining the appropriate penalty, the Board adopts a starting point based on the principles outlined above prior to it considering any aggravating and/or mitigating factors present.²¹
- [24] Record of Work matters are at the lower end of the disciplinary scale. The Board's normal starting point for a failure to provide a Record of Work is a fine of \$1,500, an amount which it considers will deter others from such behaviour.
- [25] This is the second time that the Respondent has been disciplined for not providing a Record of Work. Ordinarily, that would be an aggravating factor. However, the conduct in this matter took place before the previous decision was made. As such, it will not be taken into account.
- [26] The Board will provide the Respondent with an opportunity to provide a Record of Work before it makes a final decision on the appropriate penalty. If one is provided to both the owner and the Territorial Authority as per the requirements of section 88(1) of the Act, it will be taken into consideration as a mitigating factor, and the penalty will be reduced by \$500 to a fine of \$1,000.

Costs

- [27] Under section 318(4) of the Act, the Board may require the Respondent to pay the costs and expenses of, and incidental to, the inquiry by the Board. The rationale is that other Licensed Building Practitioners should not be left to carry the financial burden of an investigation and hearing.²²
- [28] The courts have indicated that 50% of the total reasonable costs should be taken as a starting point in disciplinary proceedings²³. The starting point can then be adjusted up or down, having regard to the particular circumstances of each case²⁴.

- [29] The Board has adopted an approach to costs that uses a scale based on 50% of the average costs of different categories of hearings, simple, moderate and complex. The current matter was simple. Adjustments are then made.
- [30] Based on the above, the Board's costs order is that the Respondent is to pay the sum of \$500 toward the costs of and incidental to the Board's inquiry.

Publication

- [31] As a consequence of its decision, the Respondent's name and the disciplinary outcomes will be recorded in the public Register maintained as part of the Licensed Building Practitioners' scheme as is required by the Act,²⁵ and he will be named in this decision, which will be available on the Board's website. The Board is also able, under section 318(5) of the Act, to order further publication.
- [32] Within New Zealand, there is a principle of open justice and open reporting, which is enshrined in the Bill of Rights Act 1990.²⁶ Further, as a general principle, publication may be required where the Board perceives a need for the public and/or the profession to know of the findings of a disciplinary hearing, and the courts have stated that an adverse finding in a disciplinary case usually requires that the name of the practitioner be published.²⁷
- [33] Based on the above, the Board will not order any publication over and above the record on the Register, the Respondent being named in this decision, and the publication of the decision on the Board's website. The Respondent should note, however, that as the Board has not made any form of suppression order, other entities, such as the media or the Ministry of Business Innovation and Employment, may publish under the principles of open justice reporting.

Section 318 Order

- [34] For the reasons set out above, the Board directs that:

Penalty: Pursuant to section 318(1)(f) of the Building Act 2004, the Respondent is ordered to pay a fine of \$1,500.

Costs: Pursuant to section 318(4) of the Act, the Respondent is ordered to pay costs of \$500 (GST included) towards the costs of, and incidental to, the inquiry of the Board.

Publication: The Registrar shall record the Board's action in the Register of Licensed Building Practitioners in accordance with section 301(I)(iii) of the Act.

In terms of section 318(5) of the Act, the Respondent will be named in this decision, which will be published on the Board's website.

- [35] The Respondent should note that the Board may, under section 319 of the Act, suspend or cancel a Licensed Building Practitioner's licence if fines or costs imposed as a result of disciplinary action are not paid.

Submissions on Draft Decision

- [36] The Board invites the Respondent to:
- (a) provide further evidence for the Board to consider; and/or
 - (b) make written submissions on the Board's findings. Submissions may be on the substantive findings and/or on the findings on penalty, costs and publication.
- [37] Submissions and/or further evidence must be filed with the Board by no later than the close of business on **10 May 2024**.
- [38] If submissions are received, then the Board will meet and consider those submissions.
- [39] The Board may, on receipt of any of the material received, give notice that an in-person hearing is required prior to it making a final decision. Alternatively, the Board may proceed to make a final decision which will be issued in writing.
- [40] If no submissions or further evidence is received within the time frame specified, then this decision will become final.

Request for In-Person Hearing

- [41] If the Respondent, having received and considered the Board's Draft Decision, considers that an in-person hearing is required then one will be scheduled, and a notice of hearing will be issued.
- [42] A request for an in-person hearing must be made in writing to the Board Officer no later than the close of business on **10 May 2024**.
- [43] If a hearing is requested, this Draft Decision, including the Board's indicative position on penalty, costs and publication, will be set aside.

Right of Appeal

- [44] The right to appeal Board decisions is provided for in section 330(2) of the Actⁱⁱⁱ.
