This form is for qualified applicants to apply for a Site or trade licence under the Licensed Building Practitioner (LBP) scheme.

Firstly, you must have done work, which relates to the licence you are applying for, within the last five years.

Secondly, please check pages 3 and 4 for the list of currently recognised New Zealand qualifications. Your NZQA report for overseas qualifications may be recognised under the LBP scheme.

Please contact our helpline for a **standard application form** if:

- you have not done work, which relates to the licence you are applying for, within the last five years
- your qualification is not listed
- you are a design applicant
- you don’t have an NZQA report confirming that your overseas qualification is specifically equivalent to one of the qualifications listed.

The Is licensing for me? booklet contains useful information on the competencies you need to demonstrate for each licence when applying to be licensed, and on the LBP scheme and building categories.

If you are applying for more than one licence, please return all the application forms together. You only need to complete the personal details on one of the forms. You only need to provide one set of certified qualifications, proof of identity and photos, and only need to pay the application fee once.

For more information, call our helpline on 0800 60 60 50, open between 8.30am and 5pm Monday to Friday, or email licensing@lbp.govt.nz.

**For example:**

<table>
<thead>
<tr>
<th>OVERSEAS QUALIFICATION</th>
<th>NZQA EQUIVALENCE</th>
<th>CAN I APPLY USING THIS FORM?</th>

<tbody>
<tr>
<td>Certificate in Construction Crafts Supplementary Studies</td>
<td>National Certificate in Carpentry at Level 4</td>
